CONFIDENCE.

"My child's confidence seemed to skyrocket in this program. Dressing up, dancing, and socializing with peers is essential for social independence and self respect. I would highly recommend the program to those who value such skills."

-2012 JDWC Parent Boulder, Colorado

CHARACTER.

"To treat others with respect, to make good decisions, a firm understanding of how special and valued they are - that's what I want my children to learn. This is what the cotillion programs teach - courtesy and character development!"

-2012 JDWC Parent Dallas, Texas

LEADERSHIP.

"In today's society, our children battle self doubt on every front. Cotillion gave my boys a sense of purpose and leadership amongst their peers. The classes are invaluable - we participate annually."

-2012 JDWC Parent Milton, Massachusetts
